

Dear Sir, Madam,

Please see below details of our chalets and static caravans as well as our booking form for the 2011 season.

The campsite is located next to a small forest, alongside a quiet little stream and at the entrance of the village of Corcieux. Our site is calm and flat with shaded and sunny pitches.

Located at the heart of the Vosges mountains, 10 mn drive from Gérardmer and the Lakes' Valley. It is a great starting point to discover the **Vosges, Alsace and Lorraine**.
