

Dear Sir, Madam,

Please see below details of our Chalets, Bungalows, Mobil-homes and Cotton Lodges as well as our booking form.

The campsite is located next to a small forest, alongside a quiet little stream and at the entrance of the village of Corcieux, where you will find restaurants, all small shops... Our site is calm and flat with shaded and sunny pitches.

Located at the heart of the Vosges Mountains, 10 mn drive from Gérardmer and the Valley of the Lakes, also close to the Alsace, wine route, castles...

It is a great starting point to discover the **Vosges, Alsace and Lorraine.**
